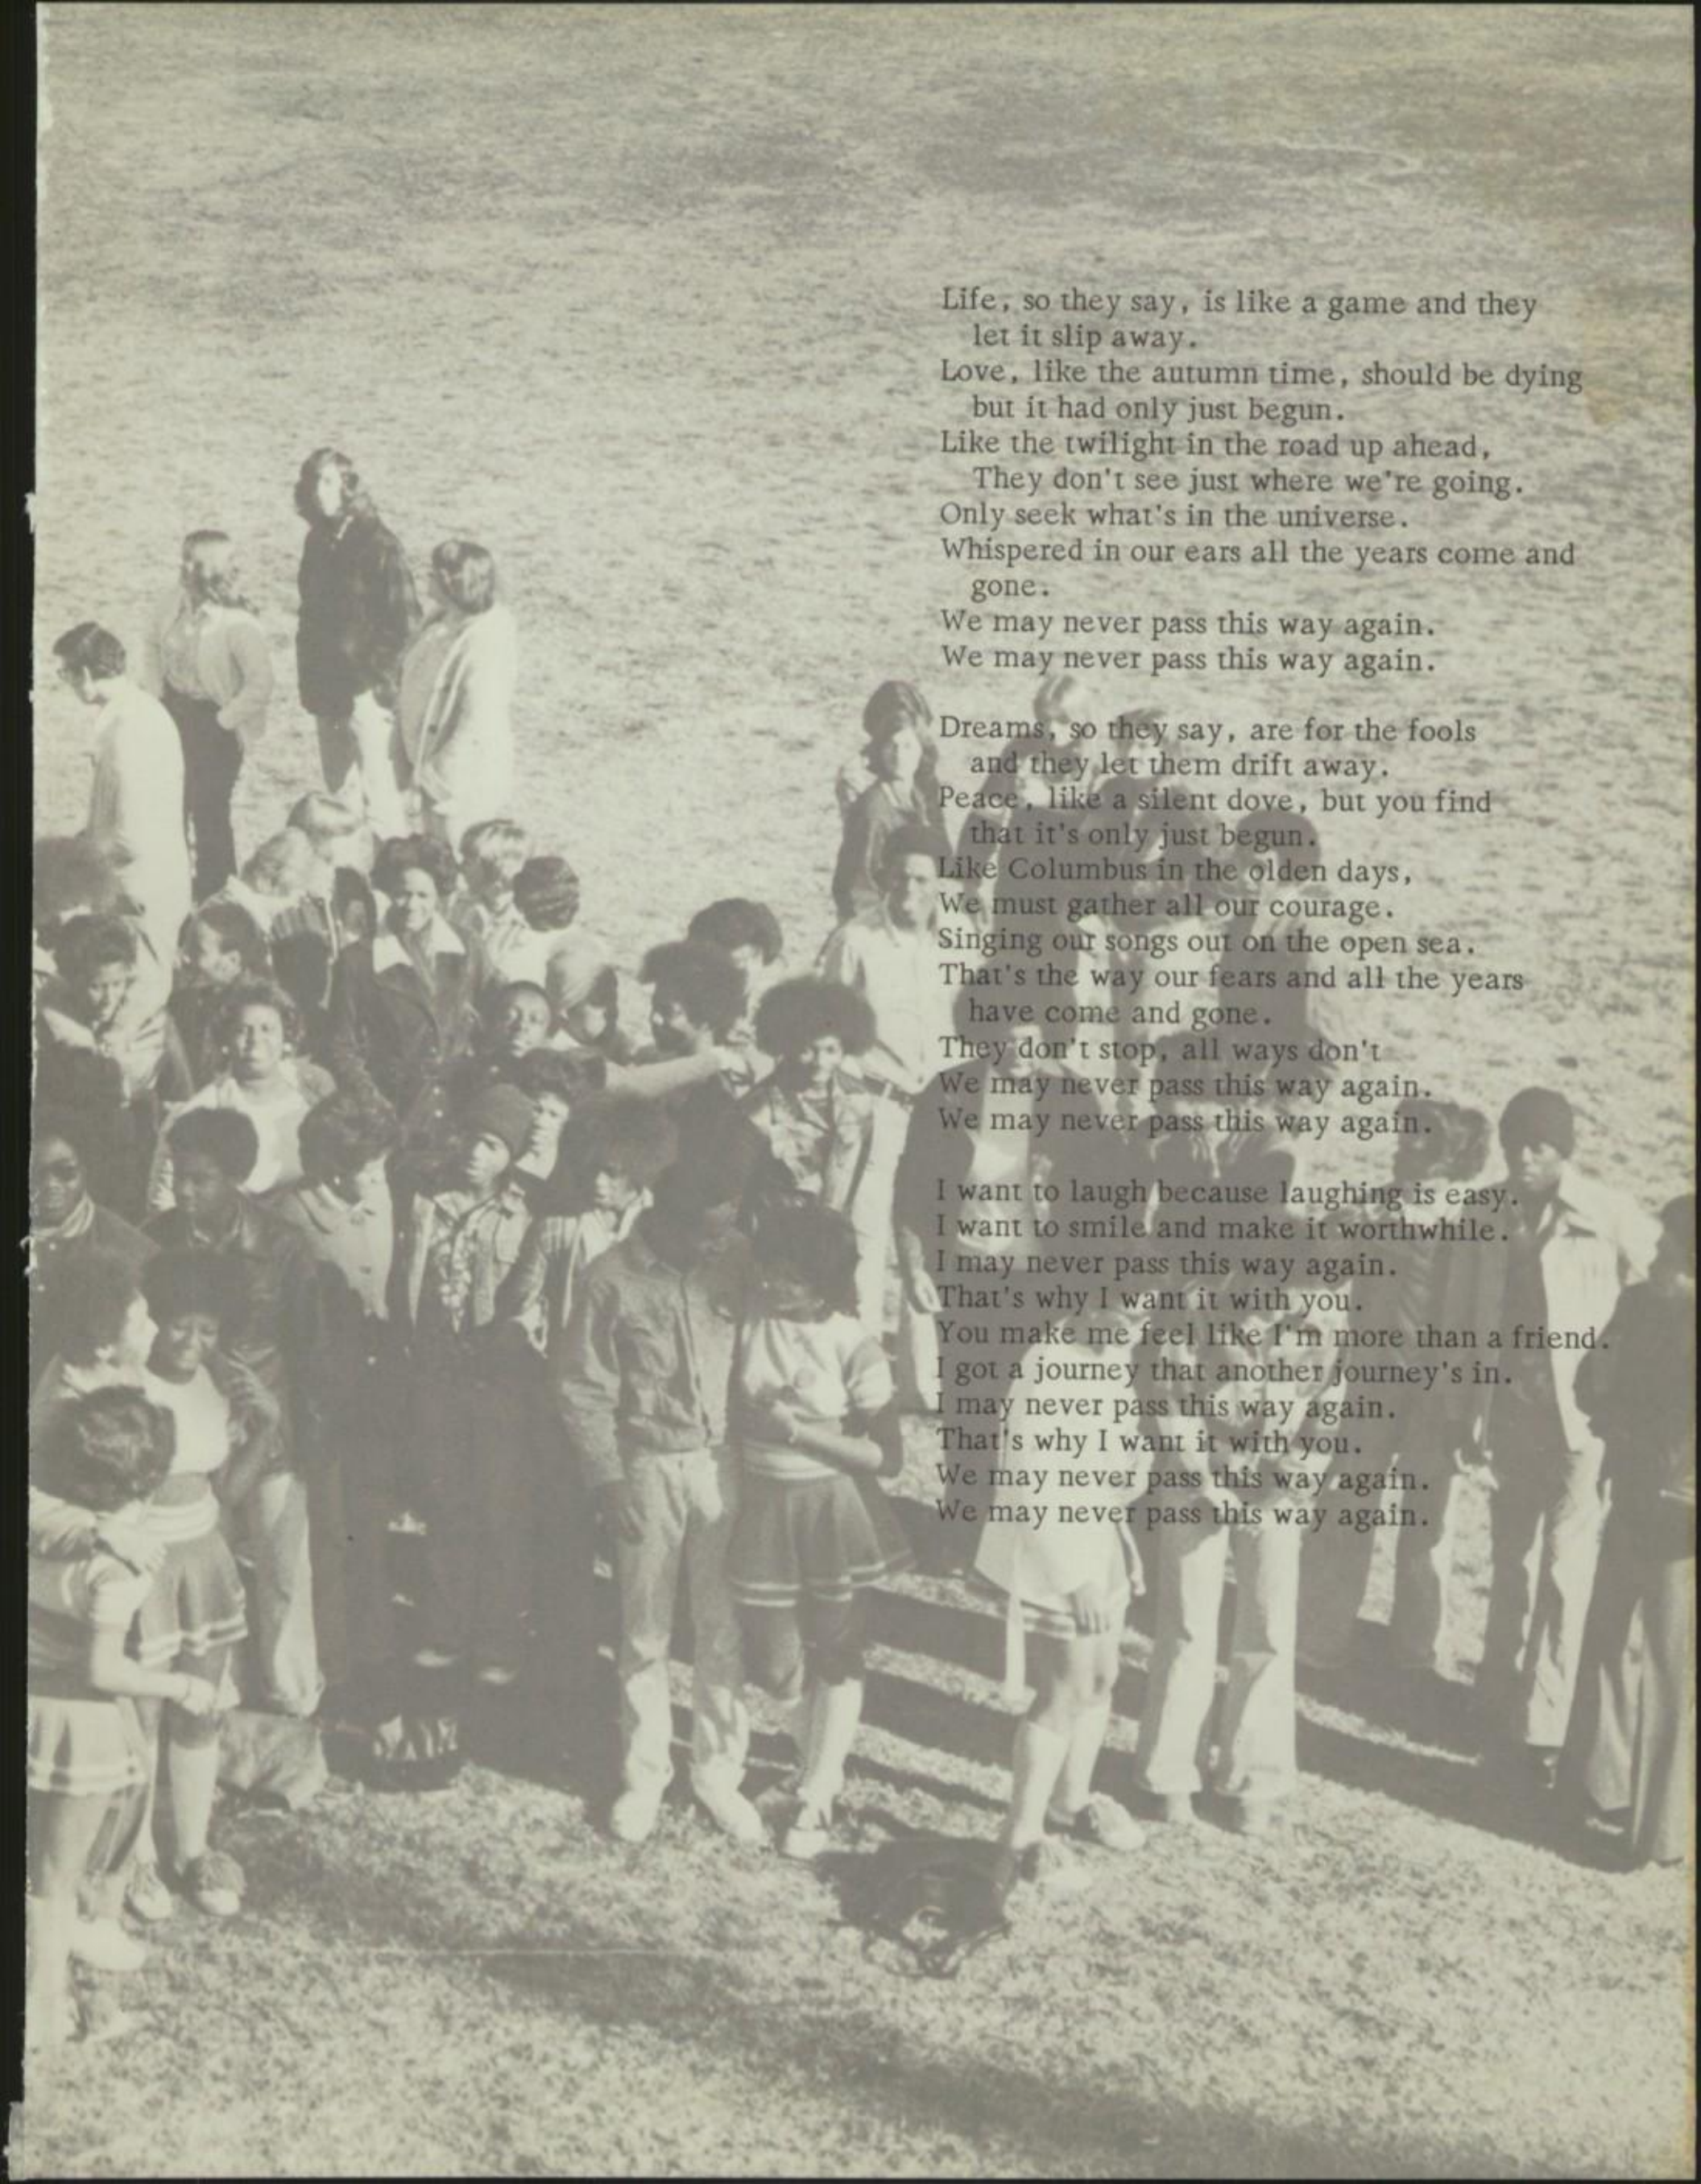
DUKE

G.T. Mashburn



Life, so they say, is like a game and they
let it slip away.
Love, like the autumn time, should be dying
but it had only just begun.
Like the twilight in the road up ahead,
They don't see just where we're going.
Only seek what's in the universe.
Whispered in our ears all the years come and
gone.
We may never pass this way again.
We may never pass this way again.

Dreams, so they say, are for the fools
and they let them drift away.
Peace, like a silent dove, but you find
that it's only just begun.
Like Columbus in the olden days,
We must gather all our courage.
Singing our songs out on the open sea.
That's the way our fears and all the years
have come and gone.
They don't stop, all ways don't
We may never pass this way again.
We may never pass this way again.

I want to laugh because laughing is easy.
I want to smile and make it worthwhile.
I may never pass this way again.
That's why I want it with you.
You make me feel like I'm more than a friend.
I got a journey that another journey's in.
I may never pass this way again.
That's why I want it with you.
We may never pass this way again.
We may never pass this way again.

Windsor High School is nestled in a cozy farming community. It is a relatively small school, attended by 600 students. We are taught by 38 teachers. We have a totally new administration this year, and many new teachers as well. Our new principal and assistant principal have worked diligently to improve our school, as have our teachers.

We take classes in a wide range of subjects. Our lessons are enriched by discussions, films, speeches, lectures, experiments, and field trips. Some of our outstanding students are privileged to attend conferences, the Governor's School for the Gifted, and Boys' and Girls' State. We have an active Beta Club, not to mention numerous other clubs reflecting varied interests and hobbies. The most important club is the Windsor High School Student Government Association, better known as the SGA, which allows the students to aid the administration in operating the school.

We the students are proud to be attending Windsor High School. We enjoy participating in the academic, athletic, and vocational programs. We hope that we will be an asset to the community in future years.

The Junior Varsity Football team has shown great promise. There have been several players on the team who were outstanding and who are commemorated for their fine performances. Many of the members of the team are Eighth Graders, having plenty of future in football. If these players return for another season in the fall, we should have a much improved Junior Varsity team. As of now, they are building a strong team and, if they keep up the sweat and toil, they should compose an even stronger, more powerful and unified Varsity team. Let us all give them encouragement to return to the field and stand behind them in all they attempt to do. With the confidence and support of the school, we should see great results in the future.

The best

HAYWOOD BOSTIC won the award for the Most Outstanding Athlete. This is the highest award any athlete at Windsor High can hope to receive. Haywood earned it with his diligence, skill, and leadership in Varsity Basketball.

STORMETTA JOYNER was awarded the trophy for the Most Valuable Softball Player. Now graduated, Stormetta spent a lot of time and effort to improve the team. She was an excellent player.

RONNIE RICKS won the award for the Most Valuable Offensive Player. Ronnie's skill and ability in football made him a great player for the offensive line.

ALVIN GOODWIN was awarded the trophy for the Most Valuable Defensive Player. A Sophomore last year, Alvin still has plenty of time to increase and develop his talent.

FRANCINE RAWLINGS won the award for the Most Outstanding Girl's Basketball Player. A Freshman last year, Francine was a very important asset to the team. She still has a few years to continue to play for the Dukettes and improve her game even further.

RONNIE DUCK was awarded the trophy for the Most Valuable Basketball Player. One of the highest scorers on the team last year, Ronnie often scored into the 30's and 40's. He contributed greatly to Windsor's victories last season.

Boys' and Girls' State
Representatives to Girls' and Boys' State are chosen by recommendations from the principal, the guidance counselors, and several teachers. The basis for their selection is leadership ability, merit, and academics. During the week of June 13-19 Girls' State convened on the campus of Longwood College, and Boys' State was hosted by Lynchburg College. The two conferences were composed of young men and women (rising seniors) from various localities of the State of Virginia. The week consisted of political speakers and programs exemplifying Virginia's State Government. Girls' and Boys' State presented an opportunity for each representative to play role in the offices and legislation that make up our government. This participation led to a greater understanding of the government's function. The memories of lasting friendships and of rewarding experiences still linger with the representatives of Windsor High School.

FBLA Officers: Mrs. Saunders, Sponsor, Vanessa Walton - president, Valencia Williams, Treasurer. The FBLA has sold doughnuts for a money making project this year. KNEELING - Beth Butler, Phyllissia Robertson, Dinah Mills; STANDING - Valerie Picot, Gwyn Lankford, Sandra Whitley.

Twirling a baton is not as easy as it looks. All the girls have put a lot of work in trying to get together something for football games and parades. Ms. Myers and Ms. Barlow get angry at the majorettes occasionally but they keep on trying until they get it right (or almost right!). The majorettes are not always thrilled to go to cold football games in those little pants and short sleeve shirts but they do it regardless.

The Duke Majorettes perform at all home football games and parades.

The Windsor High School Marching Duke Band, with its new founded spirit, had a very successful year. Lead by Drum Major, Rufus Herbert Bundick, they performed for all home football games and pep rallies. They also gave a Christmas and Spring Concert, participated in various area parades and in the District Band Festival.

The Marching Dukes worked very hard to raise money for new band uniforms and hope to have them by the 1977-78 school year.

The band is very proud of their progress this year and they appreciate the support the student body has given them.

The school should be proud of the way their band performed this year.

The 1976-77 Debate Team was made up of six members. These members debate in two divisions: two man switch and four man varsity.
Members of the debate team must possess several qualities. First, they must be in good academic standing, and citizenship must be of utmost importance to them. Secondly, they should be interested in a wide variety of subjects dealing with the social studies. Third, the student must be willing to spend long hours in research and preparation and lastly, the debate student must be willing to give up Saturdays for debating.

The debate trips accomplished by this year's team included tournaments to various Tidewater schools, Madison College, the University of Richmond and the University of Virginia.

Life, so they say, is like a game and they
let it slip away.
Love, like the autumn time, should be dying
but it had only just begun.
Like the twilight in the road up ahead,
They don't see just where we're going.
Only seek what's in the universe.
Whispered in our ears all the years come and
gone.
We may never pass this way again.
We may never pass this way again.

Dreams, so they say, are for the fools
and they let them drift away.
Peace, like a silent dove, but you find
that it's only just begun.
Like Columbus in the olden days,
We must gather all our courage.
Singing our songs out on the open sea.
That's the way our fears and all the years
have come and gone.
They don't stop, all ways don't
We may never pass this way again.
We may never pass this way again.

I want to laugh because laughing is easy.
I want to smile and make it worthwhile.
I may never pass this way again.
That's why I want it with you.
You make me feel like I'm more than a friend.
I got a journey that another journey's in.
I may never pass this way again.
That's why I want it with you.
We may never pass this way again.
We may never pass this way again.
